

“Creating a School Backgrounder”

“Rather than include all of your regular school brochures and information sheets for the media, create a school Backgrounder that concisely gets all this important information in an organized manner for outsiders to read easily. Here is a template which can be used to organize your own school Backgrounder:”

CAMBRIDGE CHRISTIAN SCHOOL “Education For Life!”

Cambridge Christian School is an independent Christian day school that seeks to provide high quality, faith-based education to families in the Cambridge region. Our on-going mission is to provide excellence in academics, Christian conduct, service to God and the development of mature Christian youth. In short, Cambridge Christian School is interested in the development of mind, body and soul.

Cambridge Christian School operates under the belief that each child is unique and needs to be nurtured spiritually, emotionally, intellectually, socially, physically and vocationally with homes, local churches and school working in partnership. For more than 35 years, Cambridge Christian School has been educating and making a difference in the lives of the many students that have attended the school.

Cambridge Christian School emphasizes responsibility, integrity and doing one's best as foundations for Christian character. Cambridge Christian School believes that parents should be partners with the school in educating their children which is why parents, through a Board of Directors and several standing committees, oversee every aspect of the school's operation. Fully accredited teachers are accountable to God, the school, parents and students.

The curriculum at Cambridge Christian School conforms to the Ontario Ministry of Education guidelines and regulations. Each student receives a solid education in reading, writing, mathematics, social studies, science, physical education, health education, music, French and art. Bible is also taught as a separate subject and church history is introduced in the senior grades.

Cambridge Christian School celebrates something special each year as it gears up to welcome new children and new families from Junior Kindergarten to Grade 8. After 35 years of serving the Cambridge community, the excitement is still fresh as the school plans for each year's enrollment. CCS is conveniently located on Myers Road, in the heart of Galt, close to the Grand River, occupying a spacious building complete with gymnasium, library, computer lab and 9 classrooms.

Cambridge Christian School is ready to serve the Christian community and will provide excellent Christian education for you and your children. Believing that Christian education should be available to everyone who wants it, CCS is a reasonably priced (family rates), inter-denominational school, and member of the *Ontario Alliance of Christian Schools*, *Christian Schools Canada* and *Christian Schools International*. Cambridge Christian School is currently accepting applications for the present school year (until September 30) and for the 2003/2004 academic year (after September 30)
