

OACS Short Term International Student Programs

School Internship Program

Goals

- 1) To enrich the school's culture by inviting Christian university students from foreign countries to apply as volunteer interns in Canadian Christian schools.
- 2) To provide opportunity for the development of hospitable relationships through which interns and host families enrich and bless each other.
- 3) To provide participating foreign university students opportunity to cultivate experience and develop English language skills useful for future job possibilities.
- 4) To enable foreign university students to participate in excellent programs, taught in a Christian environment and from a biblical world and life view.

Highlights

- Interns will be a part of school staff.
- Up to 2 interns are allocated to 1 OACS school for a 5 month period (September – January, February – June) or for a 10 month period (September – June).
- Interns are placed in clean, secure homestays organized by the school.
- Interns receive Certificate of Volunteer Participation at end of program.
- Interns will assist classroom teacher in a variety of grades/programs such as:
 - Possible monthly rotation from grade to grade.
 - Supervision of students at break times.
 - Preparation of lesson materials and student follow-up as English language proficiency increases.
 - Library work.
 - Special events (field trips, track and field, sports tournaments, etc).
- Interns may have opportunity to present their culture to Canadian students in an assembly or in separate classes.
- Interns may assist administration with activities such as:
 - Office details – newsletters, mailings, etc.
 - Fundraising details.
- Deadline for application is April 30 for September session, December 24 for February.

Costs for program including administration fee:

\$3,900 for 5 months

\$7,700 for 10 months

*Intern will pay an additional \$500 per month for homestay.

*intern is responsible to arrange for travel and medical insurance at own expense.

*Documents that will be handed in:

- transcript (English) for entire university study years.

Selection Process

1. Send application and required documents. Apply on-line by clicking “apply”.
2. OACS will inform applicants after checking application and documents.
3. English interview (by telephone, 20 – 30 minutes, for Toeic: 500 – 600).
4. Remit deposit within one week of receiving notice of passing English interview. OACS will cancel his/her application if deposit is not received within one week.
5. Follow 5 month or 10 month process in “How To Apply”.

Duties

- Assist classroom teachers.
- If applicant wishes, he/she may have opportunities to teach Korean culture to Canadian students.
- Intern will assist where staff of the school indicates needs, such as fundraising, safety crew during recess and lunch time, field trip, talent show, etc.
- The school may give interns opportunities to assist library work or school office work.

Benefits

- This program is safe and affordable.
- 100% English only atmosphere (school and host family).
- Having a Canadian teacher as mentor is like a 1 on 1 lesson.
- Wholesome type host family will provide a safe and clean environment.
- OACS will issue a certificate of participation for those who have successfully completed the program.
- Teaching opportunities provided by the school will give the intern a better English study opportunity. This is optional, but we hope every TA will take this opportunity to participate in a good experience that he/she cannot get in Korea.
- Learn about Canadian education and culture, and perhaps even travel to the United States (10 hours to New York).
